

# Heritage Ironwork Forum

**As a group of concerned blacksmiths we invite you to a heritage ironwork forum.**

Heritage craft skills accreditation schemes are being developed by government and funding agency initiatives. It is expected that starting this year craftsmen will have to acquire a CSCS heritage skills card to demonstrate competency before they can be awarded contracts on heritage projects.

Consultation.....if standards are going to be insisted on, then as blacksmiths let's have our say! Everyone who is interested in or working on heritage ironwork come along and get involved.

**WHEN;** 10am to 4pm Sunday 21<sup>st</sup> March 2010

**WHERE;** Rural Crafts Centre on the Holme Lacy Campus, Holme Lacy, Hereford, Herefordshire, HR2 6LL

Free entry but please bring your own packed lunch. Tea & Coffee will be provided.

**CONTACT;** It would be very helpful if anyone wishing to attend could let us know by contacting;
